EXECUTIVE SPEAKER BIOGRAPHY

Prajwalkumar Madiwal is a multi-disciplinary public speaker, AI researcher, and community leader based in Bengaluru. Currently an AI Intern at ABB and final-year Computer Science Engineering scholar at RRCE, Prajwal combines technical mastery in Artificial Intelligence with high-impact communication. Having delivered sessions for hundreds of learners and led flagship entrepreneurial initiatives, Prajwal delivers high-energy keynote talks and deep-dive technical workshops designed to empower next-generation engineers and business minds.

SPEAKING & TRAINING OFFERINGS

• **AI & Software Technology Sessions:** Demystifying Generative AI, Explainable ML (SHAP), and building production-ready architectures.
• **Career Development & Resume Mastery:** Tactical resume reviews, interview perception coaching, and high-impact placement preparation.
• **Product & Digital Marketing for Tech:** Turning engineering ideas into viable products with go-to-market strategies.
• **Keynotes & Leadership:** Youth leadership, hackathon mindset, and social-impact engineering.

WHERE I SPEAK

Colleges • Schools • Universities • Tech Parks • Open-Air Theatres • Corporate Events • Meetups & Hackathons

SELECTED PROOF OF IMPACT

- **GenAI Workshop Lead:** Organised and delivered a hands-on GenAI workshop for 100+ students under the Dream Den Club.
- **Flagship B-Plan Leadership:** Spearheaded a 12-member team organising an inter-college business plan competition with 300+ participants.
- **National Hackathon Finalist:** Ranked Top 5 of 30+ teams at the Coding Ninjas Vibe2ship Hackathon.
- **Social Mission Coordinator:** Directed fundraising initiatives raising over Rs. 50,000 for local children's education via One World One Family.
